Mandate

- a) As a group, we are the voice of business in the village with respect to all things that affect us.
- b) We promote the village as a commerce centre and undertake certain initiatives that will help perpetuate increases in our market share.
- c) Create and sustain dialogue with the City of Victoria and any other groups that may assist in the enhancement of our geographical boundary.
- d) Liaison with area residents to ensure all perspectives are considered when making fundamental changes to infrastructure.
